

INCLUSIVE ENVIRONMENTS TO RETAIN NEW TEACHERS

School management and retention of teachers

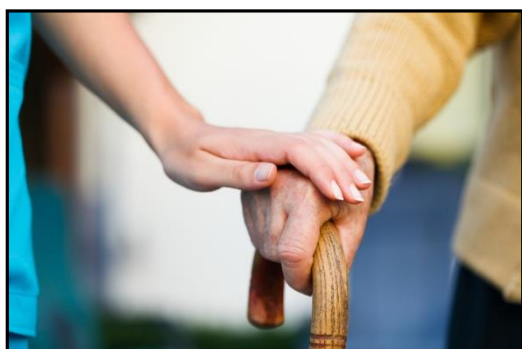

We would like to invite you to a seminar about **School management and retention of teachers**. This seminar is the final conference of **RETAIN project**, which was created by European funds to serve the development of good school environments.

The RETAIN project has developed a toolbox for school managers which can assist them in their work to create innovative, creative and inclusive school environments.

The project has worked with 25 schools in 5 countries and some of the schools will be present to at the conference to talk about their experiences

The partners from the RETAIN project will present the toolbox and will share their project experiences and learning outcomes within the schools, and experts within the field will bring the newest European knowledge and experiences to the audience.

**Venue: South Denmark European Office
Avenue Palmerston 3, 1000 Brussels
Thursday the 21st of April 2016**

REGISTER TO:

Trine Christensen Mayntzhusen
tcm@southdenmark.be

A limited number of funded places are available and registration is free of charge.
