Dear Colleagues,

TUESWRT expresses its support and solidarity in this unsettling time of COVID-19 global pandemic.

I am confident that we, trade unions, will remain united and overcome these difficult times in solidarity with our colleagues and our members.

There are currently no reported cases of COVID-19 in Tajikistan but the government has taken measures to close its borders and travellers who entered the country have been quarantined.

We wish you and your loved ones to be well and safe, and our hearts go to anyone affected by this unprecedented event. We are all in this together and we will get through this.

Yours sincerely,

President
